Each student-athlete must have a physical examination done by a medical doctor before trying out or practicing with a high school team. *Physical examination and medical history forms are available in the main office. They can also be found on our school website, camarillohigh.us. Look under Parents and Students, Athletics, then Athletic Resources. There you will also find the newly required Concussion Information form that must be signed and turned in along with the student physical.* Each form must be completed in full before the student may try out for a team.

Camarillo High School is a proud member of the C.I.F. Southern Section's **Pursuing Victory with Honor** program. We strongly support the program's emphasis on Trustworthiness, Responsibility, Caring, Respect, Fairness, and Citizenship. We ask everyone involved in our sports community – students, coaches, parents, and administrators – to adhere to the highest standards of citizenship and behavior at every Scorpion athletic event.
